Read carefully, then sign and date the application below.

1. We will keep what you tell us private as required by law.
2. Some families have to make a payment each month for this health insurance. This payment is called a premium. The amount of the premium depends on the family's income.
3. Some families have to pay part of the bill when they visit the doctor, go into the hospital or get a prescription filled. These payments are called co-payments. The amount of co-payment depends on the family's income.
4. You agree the state may seek reimbursement for services the state covered for your family if those services should have been paid for by any other health coverage your family may have.
5. Be sure to answer the questions correctly. We may check all information on this form. You must help us if we ask you to prove that your information is right.
6. We will **not** share any information about immigration of any person who does not have an Alien Registration Number. We may send other information to USCIS, such as copies of proof you sent of an Alien Registration Number and the person's Social Security Number, if they have one.
7. You must tell your All Kids or FamilyCare representative within 10 days if any of the following happens:

Your children can get health insurance even if you do not help us when we ask you to help.
9. Anyone who misuses our health insurance card may be committing a crime.
