

**COMMUNITY USE OF SCHOOL FACILITIES
INDEMNITY AND LIABILITY INSURANCE AGREEMENT**

The undersigned, hereafter referred to as "organization," states that it shall hold Glen Ellyn Community Consolidated School District, hereafter referred to as "District," harmless from any and all damages and claims that may arise by reason of any negligence on the part of the organization or the District, and its officers, employees or agents, in the use by the organization of any facilities owned by the District. This whole harmless agreement shall include, but is not limited to, any and all claims, demands, suits, loss, personal injury, including bodily injury and death, property damage, or loss of use.

In case any action is brought therefore against the District or any of its officers, employees or agents, the organization shall assume full responsibility for the legal defense thereof, and upon its failure to do so on proper notice, the District reserves the right to defend such action and to charge all costs, including attorney's fees to the organization.

The organization agrees to furnish and maintain during the usage of the facilities owned by the District such liability insurance as shall protect the organization and the District from claims for damages for personal and bodily injury, including accidental death, and claims for property damages, which may arise from the organization's use of the District's facilities, whether such operations be by the organization or by anyone directly or indirectly employed by the organization. Such insurance shall include the District as an additional named insured in the policy carried by the organization and described above.

The organization shall furnish the District with a certificate of insurance acceptable to the District's insurance carrier before the contracted User Agreement (8:20-E2) is issued.
